From the Principal

P&C Volunteer Thank You Evening
It was an absolute delight to be able to welcome so many of our volunteer parents and community members into our school on Wednesday evening for our P&C Association to recognise and thank, in some small way, all of those who give so much to our school. An open invitation was extended to all who had volunteered in programs and events that so richly support our students. Whether it be through band programs, vocal ensemble, dance, robotics, musical, canteen, working bees, uniform shop or the myriad of other programs that run in our school, many would not be possible without the support of our wonderful parents and community.

To host a social event such as they did, the P&C contribute further to the collegial nature of our parents and further enhance the link between parents and the school. In thanking all of those in attendance on Wednesday evening, I know that I missed so many more who volunteer in some way but were unable to attend. To those people, please accept my most sincere thanks and know that our staff appreciates what you do for us every day.

I look forward to continuing in building those positive relationships to ensure that we can offer the very best of opportunities for our students across a range of curriculum and curriculum enrichment activities.

As always, we had a number of staff members and other volunteers who gave of their time to organise and present this evening. To the P&C organising committee, our office staff and Deputy Principals, thank you for what you did prior to, and on the night.

Student Representative Council Camp
The annual SRC Camp was held on Thursday and Friday at the Elanora Conference Centre. I had the pleasure of visiting the camp on Thursday and attended a session run by senior students on committing to the SRC and some of the responsibilities associated with it. The underlying theme of this presentation was that, while it was a big commitment, there is plenty of support from others should any task become a burden.

There was a genuine concern for members of the SRC to effectively manage their time and commitment and that everything is possible with the appropriate support and ‘chunking’ of tasks. (Students – have you heard this before) I am very much looking forward to hearing more of the plans developed by the SRC at this camp and look forward to meeting with the SRC executive on Wednesday of next week.

Food Critics Day
Having mentioned our wonderful volunteers above, on Thursday we again hosted members of our school community for the Year 8 Technology, Food Critics Day. In this program students have to research, plan and prepare a café style meal and then host members of the community who are served the finished dish or product before evaluating what the students have done. This is a truly authentic learning experience where students are not simply following a prepared recipe but developing their own and applying it to a real world situation.
In speaking with some of our ‘critics’ as they left the school, they were certainly pleased to have given up a couple of hours of their time to be served with such delicious food products ranging from sticky date puddings to noodle and stir fry dishes. Thank you to Ms Ellis and her classes for presenting this program.

Freshwater Community Bank Tertiary Scholarship Program
Once again, we are extremely fortunate to have the support of the Freshwater Community Bank, who will offer a tertiary scholarship to one of our Year 12 students at their Graduation Ceremony on Monday 9 November. This scholarship is intended to support students who enter and undertake an undergraduate University degree. The scholarship is limited to students on the Northern Beaches and is one way that the bank is able to support local youth. Previous recipients of the scholarship include Roanize Kruger in 2013 and Rachel Holland last year. We look forward to the announcement of the next scholarship recipient and thank the Freshwater Community bank for their ongoing support of our students.

From the Deputy Principals
Congratulations to all students who have been involved in the Student Representative Council (SRC) camp held on Thursday and Friday this week. The SRC leadership training and planning conference is held at the beginning of Term 4 each year so the new SRC can get to know each other and plan events for the year ahead. We look forward to participating in the 2016 SRC activities and continuing to support this important and respected leadership and decision making body within the school.

In Year 7, students study French and Japanese each for a semester. In Year 8, students choose to study either of these Languages for the whole year (100 hours). To assist with timetabling for 2016, students have been given the Year 8 Language Choice (2016) forms today and need to return the signed form to the Front Office by next Tuesday 27 October. Students are encouraged to return the form promptly as the number of classes of each language will be based on student choices. Students who were absent are to see Mrs Whalan as soon as they return to school to collect the form.

The Year 9 Somerset Camp is only two weeks away! Please ensure all medical information has been submitted and final payment has been made to the school. Students are looking forward to the range of outdoor activities and an opportunity to get to know their Year 9 peers even better. Some Year 9 students have expressed concern at the number of assessment tasks due over the next two weeks. Please remember to use your strengths and apply the different study skills you have learnt to help you do your personal best. Also remember that exercise, healthy eating and a good night’s sleep are essential.

Year 12 2016 is well underway with their HSC courses with some students already completing their first HSC assessment this week. Students have been allocated to Year 12 mentor teachers who will provide a further level of support throughout the HSC year. The first mentor meetings will take place next week and students are encouraged to speak to their mentor teachers at any time throughout the year if they need support or advice.

Cath Whalan
Deputy Principal
Years 7, 9, 11

Many Year 12 students are at least half way through their HSC Examinations. Students are reminded to see Mrs Rixon or speak to the Presiding Officer if they have any questions or concerns regarding illness or misadventure. Every student should have collected their Leavers card from the front office. All outstanding resources must be returned to the different faculty areas eg textbooks and cards must be completed by Friday 6 November before we issue Graduation folders.

A reminder to all parents, carers and family you are invited to attend the Year 12 Graduation on Monday 9 November 2015 from 4pm at Freshwater Senior Campus. Refreshments will be available after the ceremony. We are looking forward to the celebrating the many successes of the 2015 HSC class.
Year 10 students have two important deadlines to meet today: Work Experience forms plus their Volunteering booklet are due to Mrs Crebar in the Career’s office. Also, the Problem Challenge is to be held on 11 November. Students are required to incorporate the knowledge and skills they have studied in their subjects responding to the topic Global Citizenship. Their task is to write a 900 word essay responding to a specific question. Also, The Digital Learning Portfolio is an opportunity for students to share their learning with an authentic audience of community volunteers. The dates for the presentations are Week 7 Monday 16 November, Tuesday 17 November and Wednesday 18 November. We are still requiring volunteers from the community for this event. It is preferable that volunteers could come in half day or whole day blocks of time. Volunteers are required to be in the school library at 8.30am for a brief training session prior to the 9.00am start. Please contact me in the DP’s office if you are available. The audience can extend beyond parents to grandparents/aunts/uncles etc. Year 10 Year Adviser Ms Munro has been extremely busy organising an end of year activity to Luna Park on Monday 14 December. Prompt payment of $45 and return of the permission note would be greatly appreciated.

Deborah Rixon
Deputy Principal (Rel), Years 8, 10, 12

TELL THEM FROM ME
The Tell Them From Me Parent Survey results have now been collated and analysis of the findings is underway with staff at the school.

A big thank you to all parents who took the time to complete the survey as your feedback will help us to develop the best educational environment possible for your children. We look forward to examining all the data in the coming weeks, as it will help develop a bigger picture of the thoughts of our school community and provide the future directions for the school.

IMPORTANT NOTICE FOR ALL YEAR 12 STUDENTS
Please collect your Leavers’ Card from the front office. It must be returned by Friday 6 November before Graduation.

A Reminder to the students, family and friends of Year 12
Graduation night is Monday 9 November @ Freshwater Senior Campus 4pm start.
YEAR 11 HELPERS WANTED

It is a tradition at Manly Selective Campus for year 11 parents to serve canapes and non-alcoholic drinks, funded by the P&C, at the Year 12 Graduation in November. This year’s graduation is Monday November 9, at Freshwater Campus.

The canapes are prepared by a professional caterer, who is a former parent of the school. Our task is to serve the food and drinks, and clean up afterwards. Up to 600 students, parents and guests are expected to attend the function.

We need approximately 15 people to help at different times during the afternoon and early evening. You don’t need to stay the entire time. The Graduation ceremony begins around 4pm and finishes about 4.45pm, after which the food and drinks are served.

We will need a few people to help deliver and transport items from 2pm on the day, some help to set up and make up the fruit punch from 3pm, others to plate up and serve food and finally helpers to clean up from 6.15pm.

Please contact me by Monday 26 October via lawirafernandez@optusnet.com.au if you can help, and advise what time you would be available. I’ll send more detailed information at a later date.

Thank You,
Nati Fernandez (Year 11 parent and event co-ordinator)

Duke of Edinburgh

From 9-11 October this year, a number of Years 9 and 10 students from the school joined with other students from Mackellar Girls and Balgowlah Boys on their Duke of Edinburgh Expeditions at Broken Bay.

After a brief ferry trip from Palm Beach, the Bronze Practice students underwent training before completing a two day hike - learning navigational techniques, carrying all their belongings with them and, for some, experiencing camping on a beach for the first time. Learning to use a trangia proved a fun experience for the students and the need to pack the bare minimum was demonstrated when some students had enough food to feed a large family in their hiking packs.

Careers Matters

Applying for Universities in the USA and UK.
Richard Gavalya from Crimson Consulting ran a very informative information session on Thursday Lunchtime which was well attended by students from the senior years.

Year 10 Volunteering Program. Year 10 students were asked to return their booklets this week so hours could be signed off and certificates organised.

Year 10 Work Experience and Australian Business Week are scheduled for week 8 of this Term 23 till 27 November. By now students should be organised or well on the way in finding an appropriate work placement.

Students will be attending the Engineering Information Day at UNSW next Wednesday 28 October and the UTS Law Discovery Day for Year 11 students on Thursday 19 November.

The Silver Qualifier students had a more advanced program, with a combination of hiking and kayaking over the course of three days allowing the students to bond while experiencing a bit more of life in the
outdoors. The odd detour on the hike was adapted to with a smile and the waves on the kayaks made Solo commercials look like a stroll by the lake.

Overall, all students came back with a bit more resilience, stronger calves from those expeditions and closer ties to each other and are ready for the next step in their Duke of Edinburgh experiences.

**An Invitation to everyone**

At the back of this newsletter is an invitation to the farewell of two of our most revered teachers, Bill Baker and Peter Dawes. Between them they have devoted more half a century of quality teaching and caring to our students.

The invitation is open to parents and to ex-students as well as staff members present and past.

If you can’t attend the event but would still like to send your best wishes to them, please do so via our school email: nbscmanlys-h.school@det.nsw.edu.au

**Bands of Manly Selective Campus**

Band Meeting and AGM in band room, near the canteen, Monday 2 November, 8pm. All parents of BoMSC students are welcome and encouraged to come. The band community is a truly friendly and enthusiastic group of people.

**Band committee involvement – a win/win**

- The parent-run band program thrives when a wide range of parent volunteers assist in its success.
- Involvement in the program in any capacity is an invaluable way to be engaged and get to know the students, staff members and parents. Band is the biggest extra-curricular activity in the school with around 200 student members. With many parents helping, volunteering for band is enjoyable and very rewarding.

The band committee is looking for parents to assist with band in 2016 in any role, big or small, especially Year 7-9 parents. There will be a job to fit in with your work hours, skills and interests. Some roles are regular and spread throughout the year, others are very short term. Most committee members are working so there is no expectation that you are free midweek during the day. All up there are around 20 different positions in the committee.

**Accountant/ database management skills?**

In particular we need 2-3 parents who have skills in
- Accounting (Treasurer)
- Excel and Database management (Enrolments/ band contact lists)
- These roles that can largely be done at home
- These parents will be able to work with the current band committee members doing these roles until late Sept 2016 (when their children graduate).

To find out more about any role or to offer your help please phone Sarah Dowse 0400 913 133 or email sarahdowse@gmail.com this week.

**Year 7-9 band fundraiser November 1 Homebush**

Thirty volunteers are needed as marshals (giving directions at a fun run) on the morning of November 1, including 6 -7 adults to drive and help. We are being paid $43 per volunteer, which can raise the equivalent of many cake stalls in approximately 4 hours’ work. All funds are to be put in trust for the 2018 international band tour (ie
for students currently in Years 7-9). The hours can count towards student volunteering. Please email Angela Aguam <angieaguam@yahoo.com> to help.

Strings Soiree, Tuesday 3 November.
Join our talented String Ensemble and Chamber Orchestra perform at the intimate Mosman Art Gallery venue. No bookings required but there is a small entrance fee on the night.

MSC Annual Jazz Night Out, Friday 13 November
Bookings are well underway for the MSC Annual Jazz Night Out with many tables already booked out. The event will be held at a fantastic new venue - Events at Dee Why (parking available at Dee Why RSL) on Friday 13th November, 6.30pm till late.

Join us for a wonderful night of jazz with our talented MSC jazz bands performing throughout the night. Sit back and enjoy the show whilst you dine on a 3-course gourmet dinner in a great new venue. Craig Driscoll will lead the bands with accompanying singers through a tantalizing toe-tapping repertoire with no doubt some well-known classic hits and some surprises in store!

3-course dinner and show $75. Child tickets $40 for main course and dessert. Performer’s light meal & snack $15 - please don’t forget to book this for your performing child in addition to your own seat or table. (All performers meals need to be pre-booked, no orders will be available on the night!)

Any queries about the night please contact Antje Kaldor antjekaldor@yahoo.com (0410 539 399) or Helen Dransfield helendransfield@optusnet.com.au (0414 702 259).

URGENT AND DESPERATE CALL OUT
TO Year 7-9 MSC Band STUDENTS and FAMILIES!
Sunday 1st November 2015 – Homebush
Course Marshalls - 5 and 10km Fun Run

This year on the back of all the great volunteering MSC achieves with Fairfax Media, we have been invited for our second year in a row to assist with another of their events, the 2015 Summery Starter Fun Run at Homebush.

What we have to do

We need to supply 30 volunteers to act as Course Marshalls for a 5km and 10km fun run around Homebush. We need 6-7 drivers to take up to 30 people out to Homebush. This event will have to be forfeited by MSC if we cannot provide the quota required – 30. If we don’t supply these volunteers, we could jeopardise our relationship and preferred supplier status with Fairfax Media and any future volunteer events. We really need your help.

What we get

- LOTS OF FUN and community spirit
- $43/per person to help our band programme’s 2018 tour expenses which will benefit current year’s 7-9 band students for their senior international band tour.
- Event T-shirt
- Students will receive school achievement award for community service (equivalent to 4 x pink merits)

Details

Location: Homebush

Arrival time: 6:15am (race start time 730am-10km, 830am – 5km) – we need to arrive early because of road closures.

Estimated finish time: 10:00am

Parking: Permits available.

Contact: Call Angela Aguam on 0422 618780, or email angieaguam@yahoo.com to volunteer for this event. Everyone is welcome.
