From the Principal

Tully Cameron - Scholarship Presentation
At a recent reception hosted by the University of Technology Sydney, 2014 Higher School Certificate graduate, Tully Cameron was presented with his scholarship as part of the university’s Bachelor of Accounting Scholarship Program. This scholarship not only ensures a significant financial benefit over the three years of Tully’s degree, but it also ensures that Tully works as an intern at one of Australia’s leading accountancy firms throughout his course.

To top off what was a wonderful evening for Tully and his family, he was asked to present the vote of thanks on behalf of all recipients to the university and business representatives – a presentation that was highly regarded by all in attendance.

Congratulations to Tully and we look forward to hearing of his future success.

Girls Waterpolo
Manly Selective Campus has had three students selected in the College Waterpolo team. Bridget Hudson, Grace Underhill and Claire Waddington will join girls from Freshwater and Mackellar Girls Campus’ to compete in the NSW CHS knockout competition beginning at Ryde Aquatic Centre on Monday 9 March.

Bennett Frerck – Surf Lifesaving Success
Last weekend, Bennett was one of many of our students who competed at the NSW State Surf Lifesaving Championships at Umina Beach. In the Surf Lifesaver event, Bennett was placed 3rd overall in the 15 Years age group.

The championships continue this weekend and I am sure that we will have many more positive results from Manly students competing for their local clubs.

Camps
Thank you to all staff who accompanied our Year 11 students to the ‘Crossroads’ camp at Jindabyne last week. The vast majority of our students gained much from this camp with many students thanking both the executive and teaching staff upon their return.
Next week it is the turn of Year 7 who will be heading off to their camp and will no doubt further cement the friendships that they have made in their first six weeks at Manly. Again, thank you to the staff who are giving of their time away.

Tony Rudd
Principal

From the Deputy Principals

This week has seen a tremendous amount of activity across the school. The Year 8/9 disco was a very enjoyable event and a certain staff member provided great leadership for the Nutbush dance. This was in response to another staff member providing great leadership in the YMCA dance the evening before at the Year 7 disco. The behaviour of students was, as always, exemplary and we thank you for that.

Year 10 students hosted a visiting group of students from Lismore High School this week. The students, their Careers Advisor and Librarian spent a day at the school exchanging ideas. Feedback from student guides was very positive and again, gratitude is extended to the Year 10 teachers who willingly accepted the visiting students into their classroom for the day. Hopefully we will continue the connection virtually over the coming months.

Year 12 received their half yearly examination timetables this week. A software program we have owned for a while but never fully utilised previously was used to generate them. Thanks is extended to Mr Chris Shea for his efforts in producing the timetable. Student comments have been positive.

Finally this week, I would like to share some aspects of Choice Theory, the work of William Glasser, with you. He argues that behaviour is central to our existence and is driven by the five genetically driven needs of survival, love (belonging), power, freedom and fun (learning). He also suggests our behaviour consists of four components: acting, thinking, feeling and physiology, and, as these four components are closely intertwined, the choices we make in our thinking and acting greatly affect our feeling and physiology. I am often reminded of the first of his 10 axioms: “The only person whose behaviour we can control is our own”.

MSC welcomes back ex-students to run Career’s workshops

Each Tuesday at lunchtime we are conducting a series of workshops on topics to do with Careers for Year 10-12 students. This term we have been fortunate to have MSC ex-students return to provide invaluable advice about university post HSC options for senior students.

Megan Adams, David Allaire, Tong Zhang and Giles Devaney (all from the Class of 2014) spoke about their experiences in applying for courses in Medicine. They covered topics such as UMAT,
medicine interviews and HSC preparation plus a great Q & A session. It was a fantastic opportunity for our current students to hear about the processes and pitfalls in applying for Medicine.

Another presenter was Kartik Shastri, also from the class of 2014, who spoke about applying for scholarships and cadetships in the Business sector. Kartik was the recipient of the Wayne Lonergan Scholarship from Sydney University for 2015. This workshop was extremely well attended as Kartik is well known about the school. He shared his experiences in applying for various scholarships and cadetships plus the importance of starting early on these applications and attending the various information days. Students came away from Kartik’s presentation extremely well informed and with heightened enthusiasm.

Jason Cui (Class of 2011) is a now a Sydney University student ambassador. He spoke to a group of interested students about courses in Engineering and Architecture. Jason was also able to distribute the newly published Undergraduate course book for Sydney Uni.

A big thank you to our ex-students who presented and we wish them all the best in their future studies. Other Career’s workshops planned are 10/3 Bonus points and Elite performers and UNSW will hold a workshop on 17/3, all in Room 209 at lunchtime.

The Career’s department assists students with subject selection/finding Work Experience placements/resume writing/applications for university/completing scholarship applications etc. Students and parents are able to book an interview time with the Career’s adviser.

GAP MEDICS: What is it really like being a doctor? Gap Medics offers students the opportunity to see what the world of medicine is really like. Students travel to Tanzania, Croatia, Poland, or Thailand to shadow experienced doctors and healthcare professionals.

Not only does this experience help students to make the right decision about their future careers, but it is also a useful addition to their applications to medical school.

In terms of the practicalities, students are met at the airport by one of our specialist staff team members and are looked after by an extensive staff team throughout their stay.
If any students are interested in a career in medicine, go to www.gapmedics.com.au to find out a lot of detailed information regarding the placements. Call Gap Medics on 1800 351 691 or email info@gapmedics.com.

Alan Davidson Shield
Cricket Knockout
Last Monday I had the pleasure of attending one of the best and most exciting cricket matches I have ever seen. Although we did not win the game we certainly did not come away losers.

It is difficult to find appropriate words to describe how impressed I was with the courage, determination, team spirit and sportsmanship displayed against a much bigger and older opposition. For a group of young men from MSC, never having played before as a team, the cohesion and intuitive play was amazing. We fielded brilliantly and as the game approached its conclusion, we mounted unbelievable pressure on the other team to just fail in dismissing them.

Well done guys, you make me very proud to be a teacher at Manly Selective.

Team Members: Jarod Colyer, John Gaul, Charlie Hole, Sam Kelly (Co-Captain/Coach), Sahil Kharwadkar, Toby Kovacs, Nick Marsh, Jack Mathewson, Krish Mirchandani, Meet Patel, Justin Soo, Daniel Ward (Co-Captain/Coach), Daniel Watts.

WORKING BEE

Time to prepare for our next big musical - Miss Saigon. There will be plenty of dirty jobs for everyone! We have to finish tidying the costume room, establish a good working space for our props and clean out under the stage. Can you just hear my excitement?

7 March, 9am – 3pm
Where – Costume room and under stage
What to bring – lunch, working clothes, a pair of gloves and dust mask.

Costume and backstage crews, parents - all are welcome.

For more details contact Judy Boylan on 9905 3982 or email Judy.Boylan@det.nsw.edu.au.

Wanted:
Artists, Volunteers, Sponsors & Prizes

Thank you to everyone who has offered to paint a canvas for Art 61, the school’s major fundraiser in August this year.

How You Can Help:

- Parents & students are encouraged to take part and paint a 25 x 25cm canvas for our August Exhibition and Sale (collect a canvas from the School Office).
- If you can’t paint but know someone who can, encourage them to take part in this great community event. Just email the address below and we’ll send a canvas.
- Why not sponsor a canvas for $10? Or perhaps just complete the form below.

Put the date of 19 August in your diary and come along to the Cocktail Party Closing Night. Tickets will be on sale in Term 2.

Do you know someone who can, or can you, run a live auction? We need an auctioneer at the cocktail party on 21 August.

Can you spare some time in the next few months to help get Art 61 organised? Volunteer to join the Art 61 sub-committee by contacting Sharon Porter on 0434 394 899 or by email: porterhole@optusnet.com.au

Sponsors Needed:
Can your business sponsor an Art Prize or one or more canvases? Fill out a form and return it to the school office with your payment.
