From the Principal

2016 Student Executive
On Thursday I, along with a group of seven students from Years 7-12, had the pleasure of interviewing our prospective student executive for 2016. In all, eight students are standing for positions on the student executive and I must say that following the interviews, I am extremely confident that each of these wonderful students could lead our student body with aplomb. Each of the eight candidates articulated their vision for not only the Student Representative Council, but on strategies that could be implemented to enrich the experiences of all students. On Monday of next week, each candidate will present this vision to students in Years 8 – 11 who will then vote to elect our Captains, Vice Captains and executive. I hope that in next week’s newsletter we will be able to announce who has been elected into these positions.

Science Techno Museum
There was a real buzz in our hall yesterday as our Year 8 students showcased their work in the cross college Science Techno Museum project. Students were required to conduct an investigation into some form of scientific principle or product, looking at its development over time, how and why it’s changed, the social implications of changes and finally where that development might go in the future.

There was an amazing variety demonstrated in the products and principles on display and students should be congratulated on the depth of enquiry undertaken, along with the time, effort and creativity in presenting their work. Each of the displays were voted on by students of other Year groups and the winning displays will be taken to Cromer Campus next Friday where all other campuses will also display their best.

HSC Drama Performances
On Thursday evening the family and friends of our Year 12 Drama students were treated to some wonderful performances by students who are final preparation for their HSC. Students presented both their group and monologue performances for assessment by a panel of staff judges so that further feedback and improvement can be gained prior to HSC markers assessing the work next Friday.

Congratulations to all students and best wishes for final preparations prior to next Friday.

Mona Vale Public School Link
In what we hope can be an ongoing link, a group of Year 9 students from our school spent the day at Mona Vale Public School on Monday assisting students in the OC Unit in their debating and
creative writing programs. Rhiannon Marshall-Witte, Jessica Wait, Bennett Frerck and Riley Blanche were wonderful ambassadors for our school as they coached and adjudicated the debating program in the morning and then provided editing support for the creative writing program in the afternoon.

Teachers from the primary school, some of whom had taught our students prior to their time at Manly Selective Campus, were glowing in their praise not only of the work they did with the students but also the manner in which they did it. With Mona Vale PS having approximately 25 of their students enrol at our school each year, this link will form a valuable component of the transition for those students.

Eisteddfod Success
Following on the heels of our wonderful school musical Miss Saigon, two of our lead performers – Justine Kim and Alexander Young (both in Year 11) – have had great success in recent eisteddfods, competing in four duet events and winning them all. They were particularly proud to have won the Classical Duet (open age) and the Musical Theatre duet (open age) at the Sydney Eisteddfod, where they competed against many adult entrants as well as operatic students from the Sydney Conservatorium of Music. This is a remarkable accomplishment for two 16 year olds who had never sung together competitively before.

Congratulations to both students and we look forward to hearing of further successes, and of course to our 2016 musical.

St Andrew’s College
For the second year now our Year 12 students were addressed by Mr Wayne Erickson, Principal of St Andrew’s College in the grounds of Sydney University. Mr Erickson explained to our students some of the opportunities and benefits of residing at St Andrew’s while undertaking their university studies. He also pointed out to students the range of financial assistance packages on offer to students who would be able to make a positive contribution to the enrichment of college life through activities such as sport and the arts.

Mr Erickson made special mention of 2014 MSC students Olina Parrish and Jack Liell-Cock who both took up offers of placement at St Andrew’s for this year and are flourishing in both their academic and curriculum enrichment activities.

Any Year 12 student interested in finding out more about the opportunities that St Andrew’s offers can collect one of their information packages from Mrs Rixon.

Office Staff Changes
Recent changes in our office staff have seen us lose a long standing, highly valued and appreciated member of staff and then, just recently gain another.

After an extended period of leave, Mrs Michelle Cooper relinquished her position at Manly Selective Campus and resigned from the Department of Education. Mrs Cooper had long been the point of first contact for many in our school community, being at the front counter and answering the vast majority of incoming telephone calls. Her welcoming, cheerful nature made her a popular staff member with students, parents and staff alike. In addition, Mrs Cooper very efficiently handled much of the work relating to the enrolment of new students, so for many, she was their initial support in their transition to Manly Selective Campus. Mrs Cooper will be greatly missed in our office and we wish her well in her new ventures.

With the vacancy left by Mrs Cooper, we are very pleased to be able to announce that Mrs Jenny Bowden has been appointed into the position on a permanent basis by the Department of Education’s Staffing Unit. Mrs Bowden has been a long term temporary member of staff and we were absolutely delighted to hear that she had been offered the position. In her temporary role, Mrs Bowden has often filled in for us in many roles, as receptionist, attendance officer, enrolments officer, first aid, finance – it appears that there is little she cannot do. Her skills, wonderful work ethic and popularity with students and our community will ensure that our office staff continue to assist our students in whatever way possible.
Finally, we also welcome Mrs Michelle Chiarella to our staff. Mrs Chiarella will be working with us for two days per week replacing Mrs Sue Waugh who is on leave. Mrs Chiarella will be producing our weekly newsletter and other information booklets such as assessment guides, subject selection information and general information to parents and our community. Welcome, Mrs Chiarella

From the Deputy Principals

Year 7 have been busy making 1000 paper cranes and get well soon card for Patrick who is recovering in hospital after an accident two weeks ago. Our thoughts go out to Patrick and his family and we respect and understand the need to give them space and time to heal. Students have been reminded to speak to Ms Brien or Ms Whalan if they have any concerns and we will let them know when Patrick and his family are ready to pass on information and receive calls.

Thank you to those Year 9 students involved with coaching and umpiring for the Year 8 Gala Day on Monday this week. Reports from the PASS students are later in this newsletter. The Contemporary Photography and Digital Media class thoroughly enjoyed their excursion to Cockatoo Island last Friday. The digital and SLR photographs taken highlighted the range of colours and textures across the site. Within the approximately 11 000 steps taken on the day was an opportunity for our students to practice their French when they met some exchange students staying on the island! Some of the many photographs taken are included in this newsletter.

Year 11 students have reflected on their progress this year and discussed their subject choices for the HSC year starting Week 2 next term during interviews this week. Thank you to Ms Shannon, Ms Rixon, Mr Kay and Mr Rudd for joining me in conducting these very worthwhile discussions. Students are reminded to see Ms Whalan and complete the paperwork required if they intend to discontinue a course into the HSC year. With the Preliminary Examinations in Weeks 9 and 10 this term, all students are encouraged to carefully plan time to revise and study to ensure they achieve their personal best.

Deputy Principal Years 7, 9, 11

-------------
This week has been a busy one for students across the school with SRC elections taking place throughout the week. I had the pleasure of hearing some outstanding speeches by our students and I know that there are a lot of eager boys and girls awaiting the results of these elections. A big thank you to Mr Leung and Ms Legg for their fantastic work coordinating the elections and to all the 2015 SRC representatives for organising such an important aspect of the school.

Year 8 have had a week jam packed full of activities, starting off with Gala Day on Monday, where by all accounts our students played in their respective sports with respect, sportsmanship and most importantly, had a fun day out and some good wins thrown in for good measure.

Then, throughout the last few days, Year 8 students have also been involved in the Science Techno program. Yesterday, the students displayed their investigative work for students and staff to see and the energy and excitement filled the hall throughout the day. The interest and pride shown by the students in their activities was great to see and we wish the finalists good luck in presenting their fantastic projects at the next round.

A number of Year 10 students were involved with Brookvale Public School last week promoting the White Ribbon program. Those running the event had tremendously positive feedback about the mature attitude of our students and their enthusiasm for the cause. The impact they had on other students in inspiring them to act in socially responsible ways in the community is a great example for all.

This week, Year 12 returned to their classes after the examination period and have started to receive their trial examination results. It’s essential that the students use the feedback from these assessments to build on their strengths and address areas in need. There are still several weeks before the external HSC exams begin and students have an opportunity to work together and lift each other in the final stage of their schooling. All students were reminded that by working together, the whole cohort will benefit through the moderation of their internal assessment results as shown on http://www.boardofstudies.nsw.edu.au/hsc-results/moderation.html. So now is the time to share resources, develop study groups to help others and work together to get the best results possible for university offers.

On that note, UAC guides were distributed to Year 12 this week to help them make their selections for tertiary studies. Students are reminded to complete their preferences in order of their desire to do courses rather than past ATAR entry scores and to do so by the cut-off date to avoid additional fees. These preferences can be changed at any time until the start of 2016 and there are a number of open days coming up to help them make their decisions. Any students interested in applying for scholarships need to see Ms Rixon in the Careers office to work through the application process.

Finally, given some recent reports from the public on student behaviour on buses, I’d like to remind all students to be on their best behaviour in the public: whether on school excursions, public transport or just walking down the street. The way students both behave and dress is a reflection of the school. Students should be respectful and mindful of others at all times and wear the school uniform with pride. It’s great that we have so many outstanding students here at Manly that continue to model exemplar behaviour and I know that we can continue to demonstrate these qualities in the future.

UBS Finance Academy 2015

Earlier this year (6 – 10 July), I was successful in being chosen to attend the fully subsidised, annual UBS Finance Academy as one of 50 Year 11 students from across NSW, ACT and VIC.

The Academy is designed to provide exposure to the world of investment banking as a career, and involved a five-day live-in program at Macquarie University. Each day, the fifty of us were bussed in to the city for a
multitude of team building activities, engaging exercises and lectures at the UBS offices, enhancing our knowledge of investment banking, whilst also providing life skills of cooperation and presentation.

Even though the week was jam-packed with intriguing sessions, there was plenty of time in the evening to socialise with exceptional, like-minded students over a game of pool or table-tennis. A formal canapé function one night provided an opportunity to chat with UBS staff, especially younger employees, informing us of the available cadetship, now a potential career option for myself and many others who attended.

Thank you to Mr Kay, for supplying the opportunity to apply for this course, and Mr Rudd for attaching a spectacular recommendation to my application assisting in my entry to the academy. From stock-broking to capital markets, the diverse range of career options had all who attended stimulated and was a fantastic opportunity for career exposure, I would highly recommend it to junior students when they reach Year 11.

Visit to the NSW Parliament

On Friday 24 July, we were invited to the NSW Parliament House to participate in Make a Difference Day, an event that celebrated democracy and encouraged us to make a difference to our world in the near future. The event was very interesting and engaging and involved a presentation of the history of democracy in Australia, followed by a speech by The Honourable Dame Marie Bashir, former governor of NSW, then a discussion on how we can implement change within our local communities.

The event not only opened our eyes to the internal workings of a democratic government, but also allowed us to meet new people from across Sydney. The highlight of the day was definitely the speech by Professor Bashir, her story is extremely inspirational and encouraged us to want to make a difference. The actual parliament building itself was also a highlight, a combination of Georgian, Victorian and modern architecture that contained a large collection of very impressive paintings.

Overall, we enjoyed the day and we hope that it will continue to run in the future.

Year 10 White Ribbon Leadership Day

On Monday 10 August, 7 students from Year 10 and a collection of students from Forest High went to Brookvale Public School to mentor a group of primary school students in leadership and communication skills as a prevention program against domestic violence led by the White Ribbon Foundation, NBLA and Life Source.

The day consisted of talks from head teachers and life source ambassadors. We then helped student teams coordinate campaigns in their own schools to raise money and make kits for families who have fled their household because of domestic violence.

This activity will go towards helping the Treasure Project, who will distribute the packs.

After the fundraising activity we moved onto communication and team building exercises to teach the students about treating other people equally and with respect. The activities were done in the hope that the students would go back to their own schools and educate their peers on the lessons they had learnt. It was great to see leaders from a range of Northern Beaches Primary Schools mingle and build off one another.

The day was a fantastic opportunity to mentor gifted and talented students and help them get a better understanding of the realities of the world around them. White ribbon day is on the 25 November and I encourage everyone to buy a white ribbon or another form of merchandise and wear them on the day to support those experiencing domestic violence. To make a purchase or donation visit:  
http://www.whiteribbon.org.au/

A special thanks to Samir Mosafebi, Dan Ward, Jess Moore, Dom Collins, Bridget Hudson and Alec Franks who were a big help on the day. Also thanks to Mr Goykovic who organised our participation of the event for which we would not have had the opportunity to experience. Thanks also to the organisations involved, especially White Ribbon.

Year 8 Boys Basketball

On 10 August 2015, three Manly teams took on other basketball teams in their zone. All three teams showed great spirit and sportsmanship, however Manly 2 came out on top and made it to the Grand Final to play against the almighty Narrabeen Sports High for the title.

Despite the great effort Manly showed, there was a height and experience disadvantage with had overwhelmed them with a score of 8-28 to Narrabeen. It was a great game and everyone playing enjoyed the day.

Year 8 Netball Gala Day

Year 8 Netball Gala Day was a splendid day for players, officials, teachers and supporters. Manly Selective was well represented with two quality teams trying their hardest to bring pride to our school. Adding to this the weather could not have been more delightful.

The results for Manly 1 were:

Everyone now had a lovely recuperating lunch break before the finals were under way.

Semi Finals results were;

Pittwater 2 vs Barrenjoey with a win to Pittwater 2.
Manly 2 vs Pittwater 1 with a win to Manly 2 (5-4).
Narrabeen vs Manly 1 (5th playoff) with a win to Narrabeen (7-6).

The final was beckoning Manly 2 and Pittwater 2 had been playing brilliantly all day and it came down to this. For the final, two inspirational commentators were hired to explain the occurrences in the game James Regan and Will Dawes.

Grand Final results were;

Pittwater 2 vs Manly 2 with a win to Pittwater 2 and the final score was 8 – 6.

Bands of Manly Selective Campus
City to Surf Fundraiser
A massive congratulation goes to Angela Aguam for organising and coordinating this fund raising effort.

Well done and many thanks to the MSC volunteers on Sunday 9 August. We had around 90 volunteers turn up at 6am on Bondi Beach for a beautiful, chilly start to work the gear collection area at the finish line. Manly Selective has participated in this event for many years and it
continues to be the band’s premier fundraiser with over $3k raised in 2015. In conjunction with this fundraiser we also run the annual chocolate competition which is awarded to the cohort with the most volunteers. This year’s winner, thanks to Maya Yaffe’s efforts is Year 10 with 19 volunteers, closely followed by Year’s 9 and 11.

A very special thank you and mention to the seven Year 12 girls rounded up by Phoebe Heywood, who along with Caitlin Frith, Lauren Wood and Claudia Leung, has participated in this event for the last 6 years. You girls will be missed. Thank you to parent Nick Webster for organising the team on the morning, Robert Cantwell and Keiran Nolan (Year 11) for their calm demeanour and assistance with the lost bag tent, and Year 11 Luke Kario for his tremendous dedication in getting to Bondi and being one of the last volunteers to leave. Thanks to all the parents who went out of their way to pick up children for car pools, without this we would not be able to participate in this amazing event.

The chocolate is ordered and will be delivered soon. If you need any volunteer forms signed please email Angela on angieaguam@yahoo.com.

Term 3 Band Committee Meeting - Monday 10 August 2015
On Monday night band there was a great meeting with committee members meeting to discuss past and future events. We have had a wonderful few months with great results at the School Bands Festival, and an amazing turnout at the City to Surf Fundraiser. There are lots of exciting events in the future, including Art 61 and Musicale. Next committee meeting will be the AGM on Monday 2 November.

International Tour re-group: Monday 17 August Staff Common Room 7-8:30pm
See photos and to hear about the highlights from the wonderful band tour to Italy and Austria. All the family is welcome.

Art 61 Fundraiser

Reminder to buy tickets online now on http://www.trybooking.com/147890 for the soiree next Friday 21 August. A great social and fundraising night for the whole school.

Wind Ensemble at Conservatorium of Music – Monday 24 August 2015
We will be performing along with the Conservatorium High School Wind Sinfonia, and the Arts Unit Symphonic Wind Orchestra. Mark arranges this event to give intermediate band students an opportunity to play in a serious music venue. The Verbruggen Hall is a beautiful venue to play in and be part of the audience. Families and friends are welcome to attend.

Save this date: Musicale 2015, Saturday 12 September, Independent Theatre
Next month is our premier music event held at the theatre in North Sydney, featuring senior bands and our departing Year 12 students. This evening is well worth attending. Tickets on sale in late August.

New date for JO:
HSC music performance at MSC Fri 11 September 9am -1pm (exact time TBA)

Farewell and thank you to Sandra Salmon, Band Uniform Coordinator
Sandra Salmon has been the band uniform coordinator (along with her role as the second hand uniform shop manager) for the last 5 years. Her son, Chris, finishes school this year and so Sandra is leaving this role and handing over to Fiona Cantwell. We thank Sandra for her years of service to the program and tirelessly organizing all those band information night shirt sales and second-hand blazer swaps.

Band Fees, Semester 2
Many thanks to everyone who has paid the Band Fees for Semester 2. If you have not paid, we would appreciate payment being made as soon as possible. If you have any questions please contact Sarah Dowse or Maggi Smith.

Last chance for Early bird tickets - only $25pp until August 17 – get in now!

The final preparations are underway! Our **Art61 Exhibition** opens on **Wednesday 19 August** in the MSC hall with viewing times as follows:

- **Wednesday 19 Aug**: 3:00pm – 5:00pm
- **Thursday 20 Aug**: 7:30am – 9:00am / 12:30 – 2:30pm / 3:00pm – 5:00pm
- **Friday 21 Aug**: 7:30am – 11am / 2:00pm – 4:00pm

During these times you’re welcome to visit the hall and view the artworks and they will be available to purchase during these times. In addition the artworks are available for viewing online [http://art61.weebly.com/anonymous-artworks.html](http://art61.weebly.com/anonymous-artworks.html)

Visit the website or look for an email next week with more information on the purchasing process.

Art61 culminates in the **Art61 Winter Soiree - Friday 21 Aug 7:00 – 9:30pm**. Along with the viewing of the artworks, this fun evening consists of socialising over drinks, canapés, music and the opportunity to participate in live and silent auctions.

---

**Prizes & Silent Auction**

Thank you to those that have offered your help on the evening (or leading up to the event) and especially to our fabulous supporters of the prizes and silent auctions.

Please visit the website and show your support to those businesses who have donated to our school: [http://art61.weebly.com/businesses.html](http://art61.weebly.com/businesses.html)

**What we need now is YOU** – so grab a group of friends/family, show your support and be a part of this fabulous MSC showcase event and fundraiser. Remember all proceeds go to the refurbishment of the MSC Hall. Save some money and book an early bird ticket now.

*We would love to be able to offer a couple more prizes in the silent auction – so if you’re able to help* (maybe you have a holiday home you would offer a weekend away, or a gift voucher for a product or service? A few bottles of wine?) – email Sharon porterhole@optusnet.com.au or contact the school office.

Our brand new Volunteer and Community Involvement Scholarships recognise and reward students who are actively contributing to their community and making a difference to the people around them. Whether you are involved with scouts, surf lifesaving, your church group or volunteering to assist the elderly, we encourage you to apply. Please see the full list of categories and application requirements on our website.

Our Scholarships are all valued at $2500 (semester) and $3500 (year) and include:

- 3 x Language Scholarships
- 3 x International Affairs Scholarships
- 2 x Indigenous Scholarships
- 2 x Volunteer and Community Involvement Scholarships
- 3 x Digital Video Scholarships

All of our scholarships are open to eligible students from Australia and New Zealand and the closing date for applications departing between April – September 2016 is 31st October 2015. Any unsuccessful scholarship applicants automatically receive the applicable Early Bird Discount if they choose to continue on a fee paying basis.

**Semester and Year Programs: Departing January - March 2016**

If your students want to experience another country for longer than 3 months or are looking for a more substantial experience then one of our semester or year programs could be ideal. The upcoming deadlines for our Semester and Year Programs departing in early 2016 are listed below.

To assist your students, download an application form one from our website.

**Upcoming Information Sessions!**

If you, your students or their families would like to find out more information, we'd love for you to join us at one of our free information sessions. They are a great way to find out all the details about our programs, meet other students going on exchange, hear from returned students and ask our staff any questions you might have. Check out our website for more details on both our in-person and online sessions!
